

The Kathryn Weil Center for Education provides a wide variety of community education and health training programs throughout the year. The Kathryn Weil Center for Education and St. Elizabeth Regional Health are members of the Spirit of Women, a national coalition of hospitals and health care providers that pledge to provide the highest standards of excellence in women's health, education and community outreach.

To sign up for monthly e-mails and Spirit of Women event reminders, please visit www.ste.org/kwce.

The Kathryn Weil Center for Education is located in the Medical Arts Building, 415 N. 26th St., Suite 400 on the campus of Home Hospital.

*The Kathryn Weil
Center for Education
offers many lactation
resources to help the
breastfeeding mother.*

The Kathryn Weil Center for Education offers lactation services specifically designed for the breastfeeding mother. We are here to help from the first feeding through the transition to whole milk.

Lactation services

- Trained lactation professionals offering breastfeeding education and support.
- Assistance with problem solving.
- Pre-delivery consultation.
- Assistance with latching-on, positioning and breast refusal.
- Information on breast pump selection and use.
- Rental and purchase of breast pumps.
- Assistance with pumping, milk storage and returning to work.
- Appointments for feeding difficulties or special needs.
- Convenient scheduling.
- Breastfeeding telephone assistance.

Reasons to use lactation services

- Low milk supply or oversupply.
- Breast pain or sore nipples.
- Engorgement.
- Breast refusal.
- Weaning.
- Breastfeeding changes with growth spurts.
- Slow weight gain.

To schedule an appointment or for more information on fees, please call the Kathryn Weil Center for Education at (765) 449-5133.
